- 3 difficulty levels

## smart **GAMES** ...for... smart **PEOPLE**

Be the first to scream "BINGO!" and talk trash to your opponents. Bingo is a massively multiplayer, massively fun, and extremely fast paced version of the classic game of bingo. You'll enjoy rapid-fire play with breaks between games when you join one of several chat rooms to brag about your skills. A single-player option is available to help you hone your skills, or for when you prefer to play alone.

- Single-player or multiplayer options for network and standalone play
- Large selection of themed rooms
- Integrated chat
- Available in multiple languages

B	I	N	G	O
5	27	33	51	66
3	18	34	60	22
7	22	*	5	27
11	26	33	51	66
2	3	18	34	60

Blackjack Drop is the ultimate casino-action game combo! Stack the falling cards to beat the dealer's hand before they reach the top! You'll need fast thinking and a good hand to survive. Addictive fun and limitless challenge make Blackjack Drop the game to play.

- **PERFECT** for Blackjack and Tetris lovers!
- Multiple levels - difficulty increases as you progress
- High scores
- Available in multiple languages

The classic WAR card game! TWO games in ONE - choose between classic or casino rules. In Classic War slug it out with your opponent to be the last man standing by winning all the cards! In Casino War, place your bets and challenge the dealer. Play until you're rich or broke!

- Appeals to card game lovers
- Highly addictive
- 2 modes of play

## smart **GAMES** ...for... smart **PEOPLE**

One of the most popular & addictive solitaire card games now available to take with you anywhere! Clear the cards in all three pyramids while collecting the most points possible. Choose a card from the pyramids one higher or lower than the up card. If there are no matches, draw another card from the deck. Create long runs of matches for a higher score and extra bonuses! Clear all the pyramids and survive to the next round!

- **PERFECT** for Solitaire card game lovers
- Exact implementation of Tri Peaks solitaire rules
- Addictive game play
- High scores

Terminator may be the most challenging, fun, and addictive game ever! You'll need to work fast to stay ahead of the clock and keep the points coming. Find the words fast enough and you'll qualify for time and point bonuses. Stuck? Try the MIX option, which lets you re-scramble the board. No matter what happens, don't stop or you will be terminated!

- 3 Difficulty levels
- High scores
- Mix option
- Time & point bonuses
- Comprehensive built-in dictionary

An insanely addictive word scramble game that'll challenge the best of them! Form as many words as you can with the scrambled letters before time runs out. Use all the letters in at least one word to survive to the next round!

- High scores
- Cheat option
- Comprehensive built-in dictionary
- Great way to improve vocabulary skills

## smart **GAMES** ...for... smart **PEOPLE**

Time is running out, so you must work fast to find as many words as possible. Connect the scrambled letters any way you can (horizontally, vertically and diagonally) to form words. The more letters in a word, the more points you score. Includes several difficulty levels and a comprehensive, built-in dictionary. Be prepared to have your mind joggled!

- 3 difficulty levels
- Comprehensive built-in dictionary

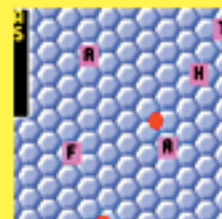

SESQUIP™ puzzles require players to identify items of widespread interest. MOVIE TITLES, TV SHOWS, SPORTS TERMS, FAMOUS AMERICANS, MUSIC GROUPS, HISTORICAL EVENTS, LITERARY TITLES, etc. - from complex words & phrases. Interactive clues keep players of all skill levels interested and actually build their vocabulary as they play. Scoring is based on the number of clues used to identify the puzzle items. Unlike many word games, SESQUIP™ immediately grips your interest and takes only a few minutes to play.

- Over 50 puzzles included!
- Large variety of topics (i.e. sports, movies, etc.)
- Up to 3 clues for each puzzle

You'll need to think and act quickly! Blast the falling letters, but aim carefully. In the next stage you'll race against the clock to form words from the letters you shoot! The challenges increase as the game progresses. Alpha Blaster combines the action of an arcade shoot'em up with real intellectual challenge!

- Challenges reflexes & intelligence
- 2 exciting stages of game play
- High scores
- Point bonuses
- Comprehensive built-in dictionary
